400. After this meeting Defendant, Greg Roman began working directly with the staff again, including the female staff who Defendant, Greg Roman had systemically victimized.

401. The decision to bring Defendant, Greg Roman back to Director of the Middle East Forum was agreed upon with extreme reluctance. The female staff who conceded to the decision which allowed Defendant, Greg Roman to resume his old responsibilities did so in order to help the Middle East Forum as an organization.

402. It was clear that the MEF was going through a rough patch and the organization seemed to be floundering.

403. It was apparent that Daniel Pipes was consulting with Defendant, Greg Roman behind the scenes and so the decision was made in the interest of helping Daniel Pipes and helping the organization.

404. Because the MEF is a nonprofit organization with a specific objective, the employees who work at MEF do so based on a strong belief in the MEF mission.

405. Defendant, Greg Roman was brought back on what was labeled a strict probationary period. Daniel Pipes promised strict rules, guidelines, scrutiny, and oversight. None of this occurred.

406. Defendant, Greg Roman was moved back to a position where he would interact directly with the female staff who he prayed upon, abused, and harassed.

407. The female staff members, and Plaintiff, Lisa Barbounis agreed to this reluctantly because they believed in the Middle East Forum's mission.

408. The rules and guidelines agreed upon were intended to protect the female staff who Defendant, Greg Roman had systematically victimized and sexually abused and harassed.

409. These rules and guidelines were quickly disregarded by Daniel Pipes and Defendant, Greg Roman.

410. Accordingly, shortly after Defendant, Greg Roman's return, Plaintiff, Lisa Barbounis noted the discrimination and harassment and retaliation.

411. Defendant, Greg Roman used his position as Director of the MEF to subject Plaintiff to tangible employment actions such as discipline and the threat of termination.

412. The female staff and Plaintiff, Lisa Barbounis were subjected to a continuing hostile work environment including retaliation due to their reporting and opposing Defendant, Greg Roman's discrimination and harassment in the workplace.

413. The female staff including Plaintiff, Lisa Barbounis attempted to discuss the fact that bringing Defendant, Greg Roman back was not working, and that Defendant, Greg Roman was actively disregarding the guidelines and rules that the female staff and Daniel Pipes agreed upon.

414. Daniel Pipes continued his same policy employed for at least the last five (5) years, of ignoring, disregarding, and refusing to take action in response to reports of discrimination, harassment and retaliation concerning Defendant, Greg Roman.

415. Daniel Pipes and Defendant, Greg Roman used the female staff's dedication to the MEF mission to convince female staff to tolerate discriminatory and harassing working conditions.

416. At all times Defendant, Greg Roman retained the position of Director of the Middle East Forum.

417. At all times, Plaintiff was forced to continue working at the Middle East Forum with Defendant, Greg Roman.

418. During the March 2019 meeting, Daniel Pipes announced that he was going to eliminate the purported safe measures initiated to protect the female staff from Defendant, Greg Roman's severe and pervasive discrimination, harassment, and retaliation.

419. Accordingly, since March 2019, Plaintiff, Lisa Barbounis has been subjected to working with Defendant, Greg Roman.

420. Defendant, Greg Roman's campaign of retaliation since March 2019 has been aimed at effecting Plaintiff's termination from the Middle East Forum.

421. This was around the same time when Plaintiff, Lisa Barbounis and coworker Patricia McNulty learned about another allegation of sexual harassment involving Defendant, Greg Roman.

422. Defendant, Greg Roman began a rumor that Marnie Meyer was having a sexual relationship with Caitriona Brady's father.

423. Caitriona Brady is an employee at the Middle East Forum who holds the position Development Associate.

424. When Defendant, Greg Roman first learned that another allegation of sexual harassment was reported, he did not yet know the details of the allegation.

425. Accordingly, Defendant, Greg Roman and Defendant, Mathew Bennett began a guessing game where they attempted to guess what the allegation involved.

426. Defendant, Greg Roman incorrectly guessed that the sexual harassment allegation involved a former intern named Gabrielle Bloom who Defendant, Greg Roman purportedly paid for sex.

427. Defendant, Greg Roman subjected two female interns to quid pro quo sexual harassment, as well as subjecting Plaintiff to a sexual assault.

428. Defendant, Greg Roman also subjected Plaintiff, Lisa Barbounis to quid pro quo sexual harassment by conditioning a work trip to Israel on sharing the same Airbnb. Defendant, Greg Roman set these conditions with the intent of leveraging the close quarters for opportunities to make sexual advances.

429. Just days after the March 2019 meeting when Daniel Pipes announced that he was eliminating the measures designed to protect female staff from Defendant Greg Roman, Defendant, Greg Roman called Defendant, Mathew Bennett.

430. Defendant, Greg Roman informed Defendant, Matthew Bennett, “now that I am back, I am going to begin searching for a replacement for the Director of Development.”

431. This was the position of a coworker, Patricia McNulty who also reported being subjected to discrimination and harassment by Defendant, Greg Roman.

432. Defendant, Greg Roman’s statement about Patricia McNulty indicated his intent to retaliate against the employees who he called “the usurpers.” These were the women who reported Defendant, Greg Roman’s discrimination and harassment.

433. Defendant, Greg Roman’s primary targets were Patricia McNulty and Plaintiff, Lisa Barbounis.

434. Defendant, Greg Roman initiated a campaign of discrimination, harassment, and retaliation against Plaintiff in an effort to effect Plaintiff’s termination.

435. Plaintiff reported this to Daniel Pipes.

436. Daniel Pipes utterly disregarded all of Plaintiff’s reports of ongoing discrimination, harassment, and retaliation.

437. If anything, Daniel Pipes has continued to provide Defendant, Greg Roman more access, authority, and opportunity with which to achieve his discriminatory and retaliatory agenda.

438. Despite allowing Defendant, Greg Roman to return on probationary status, Daniel Pipes continued to protect, shield, indemnify and assist Defendant, Greg Roman from any and all impact caused by his severe and pervasive discrimination and harassment in the workplace.

439. Daniel Pipes has allowed, permitted, sanctioned and condoned Defendant, Greg Roman’s sexual harassment and sex and gender discrimination and has never considered meaningful measures designed to remediate the unlawful conduct.

440. Accordingly, Daniel Pipes has condoned, sanctioned, permitted, and allowed the discrimination, harassment, and retaliation to continue.

441. Defendants have made Plaintiff's working conditions so onerous, abusive, and intolerable that no person in Plaintiff's shoes should be expected to continue working under such conditions.

442. Plaintiff, Lisa Barbounis's resignation was void of free will.

443. Plaintiff was constructively discharged from her employment due to the return of Defendant, Greg Roman and the severe and pervasive hostile work environment which Plaintiff, Lisa Barbounis was subjected to and due to the campaign of retaliation resulting from Plaintiff's opposition to and reports of discrimination and harassment in the workplace.

444. Defendants and Daniel Pipes and Defendant, Greg Roman have been subjecting female staff of The Middle East Forum to discrimination and harassment and retaliation due to their sex and gender for years.

445. The unlawful acts, comments and conduct described above all involved the same individual and the same pattern of behavior which includes sexual harassment, sexual misconduct, and sex and gender discrimination to which the female employees of MEF have been subjected to for at least the last five (5) years.

446. The way in which Daniel Pipes ignored reports of discrimination and harassment in the workplace concerning Defendant, Greg Roman created a reasonable inference that any individual report of sexual harassment, sexual misconduct, or sex and gender discrimination by Defendant, Greg Roman would be futile and would most likely result in retaliation.

447. Plaintiff, Lisa Barbounis was made aware of Laura Frank and Lara's (last name unknown) termination which resulted when Laura and Lara discussed Defendant, Greg Roman's

discrimination and harassment in the workplace. By providing this information to Plaintiff, Lisa Barbounis, it was essentially a warning not even to discuss reporting discrimination and harassment in the workplace.

448. For these reasons Plaintiff, Lisa Barbounis was reasonably dissuaded from reporting Defendant, Greg Roman's discrimination and harassment.

449. It helped Plaintiff feel more protected when Marnie Meyer, Patricia McNulty, Plaintiff, Lisa Barbounis, Caitriona Brady, and Delaney Yonchek all came together to report Defendant, Greg Roman's unlawful conduct and comments in November 2018.

450. Defendants used to employ a female individual named Eman Patel.

451. Eman Patel was a gay Muslim female who worked at Middle East Forum.

452. Eman Patel was harassed by Defendant, Greg Roman until she was constructively discharged. Defendant, Greg Roman's objective was to make Eman Patel's working conditions so intolerable that she decided to discontinue her employment in a manner which Defendant, Greg Roman and Daniel Pipes considered voluntary.

453. Both Daniel Pipes and Defendant, Greg Roman harassed Eman Patel until she quit

454. Because of the number of protected classes that she could be considered to fall within, Daniel Pipes and Defendant, Greg Roman called Eman Patel "a walking lawsuit."

455. Daniel Pipes approved of the plan to harass and make Eman Patel's work life so intolerable that she quit on her own.

456. Daniel Pipes and Defendant, Greg Roman used Eman Patel's gender to harass and discriminate.

457. Eman Patel is yet another member of the MEF female staff who was subjected to discrimination and harassment due to her sex and gender.

458. Samantha Mandalas was another female employee of the Middle East Forum.

459. Samantha Mandalas said in her exit interview “if I would have been a male I would have gotten more respect.”

460. Samantha Mandalas was subjected to discrimination and harassment due to her sex and gender.

461. Plaintiff, Lisa Barbounis was subjected to a severe and pervasive atmosphere of discrimination and harassment in the workplace.

462. Plaintiff now files this civil action lawsuit against the above named Defendants, Middle East Forum, Greg Roman, Daniel Pipes, and Matthew Bennett. Plaintiff was employed at the Middle East Forum from October 2017 until her unlawful termination by constructive discharge August 2019.

463. Plaintiff Lisa Barbounis notified Defendants that she could no longer tolerate working in such hostile work conditions and resigned her position at the Middle East Forum to avoid further discrimination and harassment and retaliation to which Plaintiff was subjected by Defendants during her employment.

464. Plaintiff's resignation letter notified Defendants that she could no longer tolerate the severe and pervasive discrimination and harassment which caused Plaintiff to suffer physical and mental distress.

465. Plaintiff reported the discrimination and harassment and was subjected to further retaliation.

466. When Plaintiff's first Charge was filed in June 2019, Plaintiff had not yet been constructively discharged from her employment.

467. After filing her Charge, Plaintiff was subjected to further discrimination, harassment, and retaliation.

468. Plaintiff attempted to continue her employment at the Middle East Forum however, Defendants initiated a campaign of retaliation against Plaintiff pursuant to Plaintiff's reports of discrimination and harassment and her attempts to vindicate her rights by filing a Charge of Discrimination.

469. Plaintiff was subjected to tangible employment actions. Plaintiff was subjected to a hostile work environment and the discrimination and harassment was so abusive, hostile, and intolerable that no reasonable person could have expected Plaintiff to continue working in such conditions such that Plaintiff's resignation was void of free will.

470. Plaintiff's position with the Middle East Forum was changed and altered. Plaintiff's ability to do the work that she was responsible for changed at Defendants subjected Plaintiff to further discrimination and harassment and retaliation by reassigning Plaintiff or subjecting Plaintiff to discipline.

471. Plaintiff was threatened. Plaintiff was ignored. The entire office Changed after Plaintiff filed her Charge and it was communicated to Plaintiff without any ambiguity that Plaintiff was no longer welcome at the Middle East Forum.

472. Plaintiff was made to understand that she was not welcome at the Middle East Forum and that Plaintiff's future at the Middle East Forum would afford Plaintiff no opportunity for advancement and indeed Plaintiff would not even be permitted to perform the same

responsibilities that she performed prior to Plaintiff submitting a Charge of Discrimination at the EEOC and PHRC.

473. Defendants disparate treatment and retaliation against Plaintiff and the hostile work environment that began October 2017 culminated in a tangible employment action: Plaintiff's termination.

474. Plaintiff Lisa Barbounis also adds additional retaliation which Defendants have undertaken in their campaign of retaliation to which Defendants have subjected Plaintiff due to Plaintiff's reports of and opposition to Defendants discrimination and harassment in the workplace.

475. Defendants and Defendant, Middle East Forum has filed a Civil Action Complaint against Plaintiff, Lisa Barbounis. Defendants have accused Plaintiff of violations of Breach of Contract – Confidentiality & Non-Disclosure Agreement (Count I), Breach of Contract – Bring Your Own Device Agreement (Count II), Computer Fraud and Abuse Act (Count III), Pennsylvania Uniform Trade Secrets Act (Count IV), Defend Trade Secrets Act (Count V), Stored Communications Act (Count VI), Conversion of Confidential Information (Count VII), Breach of Fiduciary Duty (Count VIII), and Declaratory Judgment (Count IX). Defendants attempt to litigate these frivolous claims is nothing more than retaliation.

476. This purely frivolous suit is Defendants attempt to harass, embarrass, disparage, and discredit Plaintiff related to Plaintiff's protected activity.

477. Plaintiff has filed a lawful Charge of discrimination and harassment and upon receipt of her Right to Sue letter from the EEOC, Plaintiff filed a Civil Action lawsuit against Defendants. Defendants have answered Plaintiff's lawful Charge and Civil Action Complaint with the above referenced frivolous Complaint.

478. Defendants have forced Plaintiff to retain counsel, spent time and money to defend this frivolous suit.

479. Defendants have retaliated against Plaintiff, Lisa Barbounis in a coordinated effort designed to effect Plaintiff's termination from subsequent employment held after Plaintiff's constructive discharge from employment with MEF.

480. The campaign of retaliation to which Plaintiff Lisa Barbounis is subjected in ongoing and continues today.

481. Defendants' campaign of retaliation is based on Defendants' refusal to accept responsibility for lawful claims of sexual harassment and sexual misconduct.

482. Defendants response to valid reports of discrimination and harassment in the workplace has been a coordinated attack of the same women who were already victimized by Defendants unlawful discrimination.

483. Accordingly, Defendants have responded to victims of sex and gender discrimination by victimizing the same women further.

484. Defendants have made false allegations and filed frivolous unfounded lawsuits in a coordinated and planned effort to force Plaintiff to spent time and money defending these unlawful actions.

485. At no time did Defendants initiate a proper investigation to discovery and remediate the severe and pervasive discrimination and harassment in the workplace.

486. Defendants have manufactured false evidence in their coordinated retaliatory attack on Plaintiff, Lisa Barbounis.

487. Defendants have engaged in criminal conduct by promising to pay for testimony in their coordinated retaliatory attack on Plaintiff, Lisa Barbounis.

488. Defendants have provided false and misleading information to potential witnesses in order to incite retaliatory behavior.

489. Defendants have threatened subsequent additional legal action based on unfounded allegations without evidence to support the same.

490. Defendants have disparaged Plaintiff, Lisa Barbounis.

491. Defendants have invented a narrative and accused female employees of engaging in a civil conspiracy.

492. Defendants have accused Plaintiff, Lisa Barbounis of misappropriating MEF money without any valid evidence to support the frivolous claims.

493. Defendants have responded to the civil action complaint and lawsuit by attacking the victims of Defendant, Greg Roman and Defendant Daniel Pipes discriminatory conduct, policies, and actions.

494. Defendants have also caused Plaintiff to suffer further emotional distress.

495. As a result of Defendants' actions, Plaintiff felt extremely humiliated, degraded, victimized, embarrassed and emotionally distressed.

496. The severe and pervasive discrimination and harassment in the workplace has caused Plaintiff to suffer an exacerbation and aggravation of any preexisting condition involving emotional distress.

497. As a result of Defendants' conduct, Plaintiff was caused to sustain serious and permanent personal injuries, including permanent psychological injuries. As a result of Defendants' actions, Plaintiff felt extremely humiliated, degraded, victimized, embarrassed and emotionally distressed.

498. As a result of the acts and conduct complained of herein, Plaintiff has suffered and will continue to suffer a loss of income, loss of salary, bonuses, benefits and other compensation to which such employment entailed.

500. Plaintiff has further experienced severe emotional and physical distress.

501. Plaintiff has suffered from severe emotional distress causes physical manifestations as a result of Defendants' unlawful and severe and pervasive conduct and comments.

502. Any preexisting condition which Plaintiff may have maintained prior to her employment for Defendant, MEF was acerbated and aggravated by the severe and pervasive discrimination and harassment in the workplace.

503. As Defendants' conduct has been malicious, willful, outrageous, and conducted with full knowledge of the law, Plaintiff demands Punitive Damages as against all the Defendants, jointly and severally.

504. Defendants have exhibited a pattern and practice of not only discrimination but also retaliation. At all times material Defendants refused to investigate or take appropriate remedial action in response to Plaintiff's complaints of discrimination, harassment and hostile work environment.

505. Defendants discriminatory conduct was severe and pervasive, and created a hostile work environment for Plaintiff.

529. To maintain such an action, plaintiff must establish all elements of negligence, including causation.

530. Plaintiff has indeed established above the elements of negligence. Defendant, Middle East Forum owed a duty of care to its employees to use such care in the hiring, retention and supervision of its employees.

531. An employer may be negligent for the failure to exercise reasonable care in determining an employee's propensity for violence in an employment situation where the violence would harm a third person.

532. In these situations, a plaintiff must establish that the employer breached a duty to protect others against a risk of harm.

533. When the plaintiff has no special relationship with the employer (i.e., as in the case of a stranger), the duty owed may be inferred from the general duty imposed on all persons not to place others at risk through their actions.

534. The scope of this duty is limited to those risks that are reasonably foreseeable by the actor in the circumstances of the case.

535. Plaintiff has alleged a history of sexual harassment, sexual abuse, and/or sex and gender discrimination by Defendant, Greg Roman to which the female employees working at the Middle East Forum have been subjected. Plaintiff has alleged facts that indicate that Defendant, Middle East Forum had sufficient knowledge to be fully cognizable of the risk of harm that Defendant, Greg Roman posed to Plaintiff, Lisa Barbounis.

536. Defendant, Middle East Forum breached its duty of care and this directly caused the sexual assault of Plaintiff, Lisa Barbounis.

537. Defendant, Middle East Forum breaches its duty of reasonable care and this directly led to the severe and pervasive sexual harassment to which Plaintiff, Lisa Barbounis was subjected by Defendant, Greg Roman.
